POISE® Ultra Thin Pads- *Light/Moderate/ Maximum/Ulimate Absorbency*

- Cleanliness, Comfort & Confidence. Prevent leaks and stay dry with proven protection that stays 10x drier*.
- Up to 100% clean, dry and fresh protection, guaranteed.
- Plus, the XpressDri Core locks wetness away to keep you dry and comfortable.
- Trustworthy Comfort. Manage bladder leaks and postpartum incontinence with our thinnest protection—the Clean&Fresh Layer instantly absorbs wetness and odor to keep you clean and fresh and the Leak-Block System helps prevents leaks.
- Discreet, unscented & fragrance-free
- Light absorbency liner in long length
- Moderate and Maximum absorbency pads in regular length

POISE® NEW 7 drop and 8 drop - *Maximum/Ulimate Absorbency*

- Addressing the needs of current buyers seeking “the most protection pads can offer”.
- Poise 7 Drop pads meet her needs for those seeking the most absorbency and length within daytime pads.
- Poise will renovate 6 Drop Overnight pads by increasing absorbency and enhancing body side liner graphics.
- It's at the top of the absorbency spectrum with even better protection than daytime products.
